

## FINGERPRINTING FOR NEBRASKA CERTIFICATION

Any person applying for the first issuance of a Nebraska certificate/permit who has not been a \*resident of Nebraska for the immediate past five (5) years from the date of application must have prints by Livescan (see list below) OR Ink Rolled (2 cards) by law enforcement. State Patrol offices in Nebraska do not charge a fee to do fingerprints. However, other law enforcement agencies may charge a fee to have prints taken. The fingerprint requirement applies even if you have recently submitted fingerprint information in any other state.

\*Residence as defined by the Nebraska Supreme Court, is an individual who has established a home in Nebraska where the individual is habitually present and to which having departed there from, intends to return. If you meet this definition of "Residence" complete the Record of Residence Form page of your addresses where you are/were physically present in Nebraska in the immediate past five (5) years).

For Ink Rolled prints, request the fingerprint packet (2 cards) provided by the Nebraska Department of Education after submitting your application and fees online. Contact our office by Email [nde.tcrtweb@nebraska.gov](mailto:nde.tcrtweb@nebraska.gov); USPS at Nebraska Department of Education, Teacher Certification, PO Box 94987, Lincoln, NE 68509-4987; by phone at (402) 471-0739 or by Fax: (402) 742-2359.

#### CONDITIONAL PERMIT

NOTE: It is not unusual for the fingerprinting process to take several weeks. A Conditional Permit may be issued, when an applicant for any Nebraska certificate/permit has met ALL the requirements for that certificate/permit, except for the receipt of the fingerprint record (criminal background check). This permit allows the applicant to teach or administer until the fingerprint report is received. If there is no criminal history background, the actual certificate/permit will then be issued with no further action.
